Prayer & Memory Garden

"I think that if ever a mortal heard the voice of God it would be in a garden at the cool of the day."

F. Frankfort Moore, A Garden of Peace

The Prayer & Memory Garden

is a place where families, residents, staff and visitors can experience quiet meditation and reflection in a garden setting.

It is a place that combines plantings of trees, shrubs and plants with sculptures reflecting a blend of nature and art. It can be a place to sit on a bench to enjoy solitude or converse with a friend. The garden can also be a final resting place for those families choosing cremation.

Commemorative Opportunities

abound in this garden setting located adjacent to West Bethany Chapel.

A favorite prayer or scripture can be engraved on a brick and placed in the garden walkways. A special person or loved one can be honored, or an anniversary and special event can be remembered in a tangible way by placing a plaque on trees, sculptures or on an engraved brick in the walkways.

To virtually walk through the Prayer & Memory Garden in the different seasons, visit www.landishomes.org and follow the links to Give a Gift and the Prayer & Memory Garden.

A Place to Pray

Jesus said to them, "Come away to a deserted place all by yourselves and rest awhile."

— Mark 6:31
